Dear Sir/Madam,

Disclosure under Regulation 30 of the SEBI (LODR) Regulations, 2015.

This is in reference to the circular bearing No. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated 20th May 2020 issued by the Securities and Exchange Board of India.

The COVID-19 pandemic and consequent nationwide lockdown announced by the Government of India has had a significant adverse impact on the overall Indian Economy and on the operations of the Company.

As of today, in line with the various directives of the Government, the Company's plant has commenced operations in a phased manner and we hope to ramp up output in the coming days. The Company has developed comprehensive operating instructions for COVID safe environment and these have been effectively implemented at all sites. All the support and service teams are functioning from home and are able to provide effective support to the business. Due to COVID-19 linked disruption, business conditions are challenging in the very short term, however we are well positioned to adapt and continue to serve our customers.

Our end user industry is automotive which has been severely impacted by this pandemic induced crisis. In the near term, the demand for Company's products will be adversely impacted and this will in turn have an impact on the results of the Company for the short-term.

The Company has a strong financial position and has also taken many measures to reduce costs. Our priorities remain the health and safety of our people and all our stakeholders while we continue to serve our customers.

The situation remains fluid, and as the duration and scope of COVID-19 continues to evolve, it is not possible to estimate the full extent of its impact on our business at this time. The Company will continue to monitor all material changes as the situation evolves.

Request you to take the same on records.

Thanking you,
For **Saint-Gobain Sekurit India Limited**
